BUDGET MEETING

President Mazis opened the budget meeting. The secretary/treasurer handed out to each committee their budget worksheets. The secretary/treasurer went over the sheets and asked that each committee get with her to work on their numbers.

The secretary/treasurer also went over the fire tax money and how the \$20,000 that was given as an advance worked in the accounting system. She advised Council that they need to decide how this is going to be handled, as a gift, paid back through the fire tax money or the Borough paying a portion of it. Council decided that they would follow up on this towards the end of the year. When they see how much more tax money is received.
