President Mazis opened the budget meeting. The secretary/treasurer had the packets for the budget for the council members. The council's budget sheets showed that we are over budget by \$129,517 due to the increase in the police budget. Council cut their budgets and we have a bare budget. President Mazis spoke about implementing a one (1) mil increase in taxes.

Council had a lengthy discussion on the tax increase and the effect it would have on the budget.

Council decided that they could not cut the budget to get it balanced and decided to take a month to look over the numbers. A November meeting will be held.
