The budget workshop meeting of the Marietta Borough Council started at 7:15 PM due to Council holding a special council meeting. Absent from the meeting were Council members, McKinney, Dalzell and Mayor Kulman.

BUDGET MEETING

Secretary/treasurer Bradnick handed out to each committee their budget worksheets. The secretary/treasurer stated that everyone should go over the sheets and asked that each committee chairperson meet with her to work on their budget numbers. Bradnick requested that the committees look to see if they have any projects they would like to have put in the budget for next year. Most of the insurance numbers will be coming out in October, along with the police budget. The yard waste from Columbia is going up \$5.00 a ton and Bradnick will be looking at all the numbers on the trash side to see how this effects our trash budget.
